17th Hokkaido University - Seoul National University Joint Symposium

Endocrine Disruptors and Health Effects among Susceptible Populations

Date: November 28, 2014 Time: 9:30- 17:00

Venue: Enyu Gakusha (Community Hall, Hokkaido University)

- Hokkaido University, Center for Environmental and Health Sciences : Professor Reiko Kishi
- Seoul National University, Department of Environmental Health: Professor Kyungho Choi

9:30	Opening remarks	Prof. Reiko Kishi, HU
9:40-10:55	**Session Ⅰ: Seoul National University (Chair: Kiyoung Lee)** Children's Health and Environmental Chemicals of Korea Panel-Aims, accomplishments, and plans	Prof. Kyungho Choi, SNU
	Tissue dosimetry and follow-up health outcomes after prenatal exposure to diethylhexylphthalate and bisphenol A in CHECK Panel, Korea	Prof. Sungkyoon Kim, SNU
	Associations between POPs exposure and thyroid hormones among pregnant women and matching newborns	Prof. Kyungho Choi, SNU
11:10-12:25	**Session Ⅱ: Hokkaido University (Chair: Reiko Kishi)** Hokkaido Study of Environment and Children's Health: overview, and findings of perfluoroalkyl acids exposure and various health outcomes on offspring	Assistant Prof. Sachiko Itoh, HU
	Phthalate exposure and health : Findings from Hokkaido study and Indoor air quality study	Associate Prof. Atsuko Araki ,HU
	In vitro endocrine-disrupting effects of pesticides via nuclear receptors	Dr. Hiroyuki Kojima, Hokkaido Institute of Public Health
14:00-16:45	**Free session and discussion (Co-chair: Sungkyoon Kim, Atsuko Araki)** Prenatal exposure to PCB & Dioxin on birth weight and allergy and infectious diseases during infancy	Assistant Prof. Chihiro Miyashita, HU
	Prenatal dioxin concentrations in blood and genetic polymorphisms in the AHR and CYP1A1	Dr. Sumitaka Kobayashi, HU
	Consumer Product Exposure and Risk (COPER) study in Korea Brief introduction of HU Center for Environmental and Health Sciences Brief introduction of SNU Department of Environmental Health	Prof. Kiyoung Lee, SNU Lecturer Dr. Tamiko Ikeno Prof. Kyungho Choi
	Discussion	
16:45	Closing Remarks	Prof. Kyungho Choi, SNU
17:30-	Banquet at Center for Environmental Health Sciences, HU (Kita 12, Nishi 7)	

＊Inquiry : Hokkaido University Center for Environmental and Health Sciences＊
